

The State Licensing Board for Residential and General Contractors met on June 4, 2008 at the Professional Licensing Boards Division, 237 Coliseum Drive in Macon, Georgia, for the purpose of conducting Board business.

Members Present:

Hoppy Hopkins, Board Vice Chairperson
Timothy Ansley
Bob Barnard
Dan Cash
Steve Cash (arrived at 1:15 p.m.)
Mark Herbert
Tommy Holder
Allen Richardson
Edward Strain, III
Morgan Wheeler

Members Absent:

Philip Thayer, Board Chairperson
David Cyr
Melissa Henderson
Roger Huggins

At 8:08 a.m., Vice-Chairperson Hopkins established that a quorum was present and called the meeting to order.

A motion was made by Mark Herbert, seconded by Tommy Holder, and the Board voted unanimously to accept the May 7, 2008 full Board meeting minutes.

Vice-Chairperson Hopkins called for any changes that needed to be made to the May 14, 2008 Specialty Contractor Committee Conference Call minutes. There were no changes. Vice-Chairperson Hopkins stated that the minutes would then stand approved as written and distributed.

Vice-Chairperson Hopkins called for any changes that needed to be made to the May 20, 2008 Qualifying Agent Committee Conference Call minutes. There were no changes. Vice-Chairperson Hopkins stated that the minutes would then stand approved as written and distributed.

Vice-Chairperson Hopkins called for any changes that needed to be made to the May 29, 2008 Residential Division Committee Conference Call minutes. There were no changes. Vice-Chairperson Hopkins stated that the minutes would then stand approved as written and distributed.

Scarlett Elliott, Board Attorney, delivered the Attorney General's Report.

Ms. Elliott presented ten Consent Orders for acceptance by the Board. These orders had been drafted by Ms. Elliott at the board's request, mailed to applicants Robert Dabbs,

Vex Farley, Alex Henson, Matthew Knighton, Jacob McClure, David McNeely, Dennis Sawyer, Tracy Swearingen, Robert Webb, Robert Williams, and returned to Ms. Elliott signed by the applicants. The Consent Orders for these applicants allow them to be licensed under probationary terms.

A motion was made by Bob Barnard, seconded by Mark Herbert, and the Board voted unanimously to accept the Consent Orders.

Tanja Battle delivered the Executive Director's Report.

Ms. Battle stated that she and Bob Barnard attended a speaking engagement with the Real Estate Investment Association (REIA). She turned the meeting over to Bob Barnard to explain. Mr. Barnard stated that he and Tanja addressed their concerns. This Association believes strongly that they should be exempt from licensure and would like to pursue a legislative change to address this matter.

Ms. Battle went over a revised Authorized Agent Permit Form. She has shared this with Chairperson Thayer and Morgan Wheeler. Ms. Battle stated that if the Board accepted the form, they could vote to approve it. She also relayed that it would be posted on the Board's website once approved.

A motion was made by Tommy Holder, seconded by Timothy Ansley, and the Board voted unanimously to accept the Authorized Agent Permit Form and post it on the Secretary of State website.

Ms. Battle went over the Voluntary Cease & Desist Policy with the Board. Ms. Battle stated that this will become effective once the Board starts enforcement of unlicensed contractors. The Voluntary Cease & Desist Policy states:

It is the policy of the Georgia State Board of Residential and General Contractors to accept all Voluntary Cease and Desist Orders upon receipt in the Board office and authorize the president/chairperson or his or her designee to execute the Order and to authorize the Orders to be docketed and served. It is the intent of the Board that the Orders will be in effect upon docketing. The Georgia State Board of Residential and General Contractors will ratify the docketed Cease and Desist Orders at its next meeting after the date of docketing and include a list of the approved orders in the board minutes.

A motion was made by Mark Herbert, seconded by Tommy Holder, and the Board voted unanimously to adopt the Voluntary Cease & Desist Policy.

Lisa Durden, Executive Director, asked the Board if foreign businesses/corporations have to be registered with the Secretary of State. Bob Barnard stated that it is in the law that they do have to be registered with the Secretary of State. The Board will require that the applicant submit a Letter of Authority to operate in Georgia.

Mrs. Durden asked the Board if work done in other states or countries would count as work experience. Morgan Wheeler stated that any legal work from other states would count. The Board stated that if the applicant could provide a contract from another

country translated into English that would count. Dan Cash stated that it would probably be very hard to have the contract translated into English.

Mrs. Durden asked the Board what to do with approved qualifying agent applications where the qualifying agent is no longer with the company and they have been approved by Prior Approval Status. Tommy Holder stated that the General Division will continue to review these at the Board level for a while.

Mrs. Durden stated that she is working on a new rule for status changes. These status changes would include name changes, address or location changes, qualifying agent leaving a business organization, etc.

Mrs. Durden asked if the General Division would approve homebuilders as previous experience for exam purposes. The General Division stated yes.

Mrs. Durden asked if the Residential Division would accept specialty projects as work experience. Bob Barnard stated that he would have some issues with that. Mr. Barnard stated that he feels this is an issue that would need further discussion. Ms. Battle stated that the General Division voted on this issue and stated that they would accept specialty projects as work experience. She stated that the General Division may need to go back and revisit this issue as well since several General Division members expressed concern.

Committee Reports were discussed.

Bob Barnard, Specialty Contractor Committee, referred the Board to a handout in reference to Material Handling Installations that was sent to Mr. Barnard, Morgan Wheeler and Roger Huggins. The type of work that is performed is pallet racking installations, shelving installations, installation of pre-manufactured mezzanines, pick-modules (from pallet racking), miscellaneous welding as needed, dismantling of racking systems, and installation of pre-manufactured inplant offices. Mr. Barnard stated that he felt this need to be added to the Specialty Contractor list located on the Secretary of State website.

A motion was made by Tommy Holder to add Material Handling Installations to the Specialty Contractor list. Morgan Wheeler stated he would like to defer this issue until the Board can get more information on what exactly they do. Mr. Barnard stated that this issue will be tabled and staff can send a letter to this company asking for further clarification. Mr. Holder withdrew his motion.

Mr. Barnard asked if there were any other issues for the Specialty Contractor Committee.

Kevin Veler, of Legal Counsel for Business and Construction, stated that he was representing the Georgia chapter of the National Kitchen and Bath Association (NKBA). The NKBA has proposed a Limited Service Specialty listing for Kitchen & Bath Design/Installer. Mr. Veler stated the NKBA acknowledges that in the past many designers often subcontracted work to remodelers, but then again there are many electricians, plumbers, cabinet makers, flooring, siding and others who were also doing construction and remodeling because all of this was legal under the law.

Mr. Veler stated this listing request is not seeking a Kitchen/Bath Remodeler. They are not seeking to perform construction management. The listing requested specifically is limited to consultation, coordination and preparation, project administration in reviewing bids and onsite inspections on behalf of owners, maintaining project schedules with a specific caveat that the specialty work must be independent of actual construction and that the specialty designer is not "at risk". This tracks specific requirements of the definition of "contractor" under Section 43-41-2(4) and "construction management" under Section 43-41-2(4)(a).

Mr. Veler stated they are not seeking to "manage" anything except the installation of cabinetry, countertops, both of which are already permitted in a traditional specialty listing, applicants and other kitchen and bath equipment, which are installed by the manufacturer, distributor or retailer of the product or installers.

Mr. Barnard advised Mr. Veler to put his request in writing and to clearly define what the job description entails. Mr. Barnard will forward this to the Specialty Contractor Committee for discussion and then to the Attorney General's office for their recommendations.

Discussion ensued.

The Building Official Notification/Pre-Licensing Affidavit Committee had nothing to report at this time.

The Written Warranty Committee had nothing to report at this time.

The Reciprocity Committee had nothing to report at this time.

The General Contractor Tier Committee had nothing to report at this time.

Edward Strain, Inactive Status Committee Chairman, stated that he has drafted a notice in regards to Inactive Status and has discussed this with Morgan Wheeler and Allen Richardson, who are also on the committee. Mr. Strain handed out a copy of what he has drafted to the board members. He stated that (1) the licensee must satisfy any continuing education requirements that exist during inactive status and failure to do so will prevent the licensee from reinstating their license on an active basis and (2) in order to obtain reinstatement of the license, the licensee must submit an appropriate certificate of insurance and proof of satisfying any requirements of continuing education that were in existence during the time the license was inactive.

A motion was made by Allen Richardson, seconded by Mark Herbert, and the Board voted unanimously to accept what Mr. Strain has drafted in regards to Inactive Status and have staff review and format it and present back to the Board so that it can be posted as a proposed rule.

A motion was made by Bob Barnard, seconded by Mark Herbert, and the Board voted unanimously to close the following complaints:

31266
34523
34554

Tommy Holder stated that the Qualifying Agent Committee met via conference call on May 20, 2008. Mr. Holder stated there are a number of companies with multiple qualifying agents. The Qualifying Agent Committee recommends sending a letter to the Qualifying Agent and the person that signed the Qualifying Agent Affidavit requesting clarification if: a) Qualifying Agent represents two or more firms; and b) firms that have 3 or more Qualifying Agents. This letter should make it clear what sanctions may be imposed for falsely filing an application.

A motion was made by Tommy Holder, seconded by Mark Herbert, and the Board members present: Hoppy Hopkins, Timothy Ansley, Bob Barnard, Dan Cash, Mark Herbert, Tommy Holder, Allen Richardson, Edward Strain and Morgan Wheeler, voted unanimously to enter into Executive Session for applicant appearances and application discussion.

The divisions separated and appearances and discussions for each division ensued.

At this point in the meeting, the two divisions reconvened.

Open Session was declared by Vice-Chairperson Hopkins.

A Review Hearing on applicant Anthony Alan Bell was conducted at 2:00 p.m.

A motion was made by Bob Barnard, seconded by Mark Herbert, and the Board members present: Hoppy Hopkins, Timothy Ansley, Bob Barnard, Dan Cash, Steve Cash, Mark Herbert, Tommy Holder, Allen Richardson, Edward Strain and Morgan Wheeler, voted unanimously to enter into Executive Session for deliberation.

Open Session was declared by Vice-Chairperson Hopkins.

The Review Hearing was adjourned at 3:12 p.m.

Ms. Battle discussed expiration dates for licenses. Ms. Battle stated the Division Director has the authority determine expiration dates upon the approval of the Board through a rule change. Ms. Battle stated that while the law states licenses are valid for up to two years and the current expiration date is November 30th of odd years, the agency was interested in moving this date to allow for a full twenty-four month initial license period. The new expiration date would be June 30th of even years. Ms. Battle asked the board for a vote as it would be needed to proceed with the rule change. Mr. Holder expressed concerns regarding the cost of reissuing all the licenses and how such would impact staff. Ms. Battle stated that staff would be able to process renewals regardless of the expiration date. Mr. Holder did not see the benefit of changing the date. Vice-Chairperson Hopkins stated that reissuing licenses with a new expiration date would create confusion. Mr. Ansley stated the expiration should stay as is.

A motion was made by Bob Barnard, seconded by Tommy Holder, and the Board voted unanimously to not change the expiration dates of the Residential and General Contractor licenses, which currently show an expiration date of 2009.

A motion was made by Tommy Holder, seconded by Mark Herbert, and the Board members present: Hoppy Hopkins, Timothy Ansley, Bob Barnard, Dan Cash, Steve Cash, Mark Herbert, Tommy Holder, Allen Richardson, Edward Strain and Morgan Wheeler, voted unanimously to enter into Executive Session for applicant appearances and application discussion.

Open Session was declared by the General Division.
